

A Premier Talent Competition

LEE'S SUMMIT'S GOT TALENT! SEASON 2 AUDITION GUIDELINES & REQUIREMENTS

- * All "Lee's Summit's Got Talent!" applicants must live in the Kansas City metropolitan area. Proof of residency will be required at auditions (a valid driver's license is acceptable).
- * Applicants should be a United States citizen, or have current US visa. Documentation will need to be presented at your audition.
- * You will receive an audition confirmation letter in mid-April with your audition date and time. You will need to bring all required documentation specified in the letter with you to the audition.
- * LSGT is open to all ages. However, those applicants who are under the age of 18 must have permission from a parent or legal guardian to audition. A form for this will be sent with the audition confirmation letter.
- * LSGT is open to all types of talent. However, please be aware that extensive set-up will not be allowed at the audition. If your act requires extensive set-up (a band, for example), plan to bring a DVD of your performance, and be prepared to play acoustically. Audition set-up that will be available is limited to a CD player, microphone and piano.
- * If your act uses music, it is strongly recommended that you use music that is very well-known. (Top 40, R&B, current radio hits and classics).
- * Each performer/act selected for the finale is required to use their audition piece in the final show. No changes will be allowed.
- * Each act is allowed 90 seconds for their audition.
- * For group performances, all members of the group must be present at the audition.
- * Keep in mind that "Lee's Summit's Got Talent!" is a show for all audiences. Any inappropriate material or language will be detrimental to your audition.
- * During auditions, fire, swords, or other sharp objects will not be permitted. If a prop appears dangerous, but is not, please alert a LSGT committee person and we will try to accommodate you.
- * All applicants who audition may not necessarily move on to the finale. LSGT producers will be selecting the top 20 acts to compete in the finale. Those selected will be notified in early May.
- * LSGT and Lee's Summit CARES reserves the right to refuse an audition to any individual or act, at its sole discretion, for any reason or no reason.
