

# To Be a Teen in 2018

Find us online!

Last spring, Lee's Summit CARES asked nearly 500 students what it was like to be a teen in 2018. Lee's Summit youth told us about their biggest struggles, who they turn to for support (their answers might surprise you!) and what personal traits they feel proud of. Hear from a panel of Youth Advisory Board members as they present the survey results and dig into some of the startling responses.
