

Love and Logic Program Dates for the 08-09 School Year

Love and Logic is a parenting workshop designed by the Cline Fay Institute and facilitated by Lee's Summit CARES. The program provides parents and care givers with practical and proven strategies for preventing and reducing behavior problems in children and youth. Lee's Summit CARES offers the program 10 times annually through a collaborative effort with the Lee's Summit School District and ReDiscover. Parents can chose from three program formats depending upon the age of their child. The early childhood program is for use with young children 0-6 years, there is a general program for any age child/youth and a new format for parents of teens. The following is some important information about the classes:

- *Bev Hatley at ReDiscover handles registration. (816)347-3259.
- *Classes are open to anyone unless stated otherwise under NOTES.
- *Classes run for 5-weeks. (ex. Mondays for 5 consecutive weeks)
- *Classes take place from 6:30 to 8:30 pm.
- *Childcare is available at most classes for \$3 per evening per child. (\$9 max per family)
- *The cost is \$42 per participant. Cost includes a manual and other materials.
- *Scholarships are available to anyone living within the Lee's Summit School District boundaries.
- *There is NO COST for previous participants to return to a class if they participated through Lee's Summit CARES.
